Craighead County officials conducted a careful and in-depth analysis of all bids received. All bidders were local with local parts and service facilities located in Jonesboro, Arkansas, and operate equipment, to get their input and perspective as to which type of equipment would best meet the overall needs of Craighead County. After reviewing each bid thoroughly and operation of road equipment, considering all relevant information, based on current fleet and experience by hands-on employees, including frequency and type of repairs, cost of repair parts, and performance and ease of operation from employees directly associated with operation of road equipment, and with all due considerations, it is determined that the best overall value for Craighead County is Caterpillar, 430 07A, 211 model, year 2021 backhoe/loader, offered by JA Riggs Tractor, 3701 E. Parker Road, Jonesboro, AR 72404, as outlined above.

UNSIGNED BIDS WILL BE REJECTED

BIDS ARE SUBJECT TO REJECTION UNLESS SUBMITTED ON THIS FORM

NOTICE TO BIDDERS, SEE REVERSE SIDE OR ATTACHMENTS FOR INSTRUCTIONS AND CONDITIONS.

**CRAIGHEAD COUNTY
JONESBORO, ARKANSAS
CONDITIONS OF BIDDING**

Compliance with the following conditions is necessary for consideration of this bid.

- 1 **Signature**-This bid must be signed with the firm name and by an authorized officer, employee or agent.
- 2 **Sales Tax**-Is not to be shown in the bid price, but is to be added by the vendor to the invoice billing to the County. The County is not exempt from Arkansas State Sales Tax. Contractors are to include all costs into the bid price, including applicable taxes.
- 3 **Freight and other delivery charges**-to destination at designated County facility in the County must be included in bid. Charges may not be added after the bid is opened. List freight and delivery charges separate.
- 4 **Discounts**-Show rate, total amount, and latest day any discounts will be allowed after receipt of article and invoice, otherwise County will deduct allowed discount when payment is made.
- 5 **Firm Price**-All prices quoted will remain firm for at least 30 days from date of bid, unless otherwise specified by the County or bidder
- 6 **Arkansas Preference**-Must be requested writing when bid is submitted to be considered as a factor in awarding a contract. Arkansas Code 19-11-259.
- 7 **Identical Bids**-In the event of two or more identical low bids, the contract may be awarded arbitrarily or for any reason to any of such bidders, or split in any proportion between the said two or more bidders at discretion of the County.
- 8 **Clean up**-Complete cleanup and proper disposal of any and all job related items is considered to be a part of any contract let by Craighead County.
- 9 **Ambiguity in bid**-Any ambiguity in any bid as the result of omission, error, lack of clarity or non-compliance specifications, instructions, and all conditions of bidding shall be construed in the light most favorable to the County
- 10 **Construction**
 - A. When requested, the Contractor is to supply the County with evidence of having and maintaining proper and specifically Workman's Compensation Insurance in accordance with the laws of the State of Arkansas, Public Liability, and Property Damage. All premiums and cost shall be paid by Contractor. In no way will the County be responsible in case of accident.
 - B. A Performance Bond equaling the total amount of any bid exceeding \$20,000 must be provided for erection of any public building, public structure, or public improvement(Pursuant to Arkansas Code 18-44-503.)
- 11 The County reserves the right to reject any and all bids, accept in whole or in part, to waive informalities in bids received, to accept bids on materials or equipment with variations from specifications in those cases where efficiency of operation will not be impaired, and unless otherwise specified by bidder, to accept any item in the bid. If unit prices and extensions thereof do not coincide, the County may accept the bid for the lesser amount whether reflected by extension or by the correct multiple of the unit price.

INSTRUCTIONS TO BIDDERS

(Please read carefully)

- 1 Submit bid on bid form attached or reverse side of this sheet.
- 2 Address all bids to: Purchasing Director, Craighead County Judge's Office, 511 Union St., Suite 119, Jonesboro, Arkansas 72401 and make certain to indicate identifying bid number on the outside of bid envelope.
- 3 DO NOT include Federal Excise Tax in bid. County will furnish exemption certificate.
- 4 State Manufacturer, Brand Name, Model, etc. for each item bid on.
- 5 Samples of items, when required must be furnished free, and, if not called for within 30 days from date of bid opening, will be disposed of by the County
- 6 Bids received after stated time will not be considered.
- 7 Be sure and read all conditions and verify amounts before submitting bids. No changes or additions will be allowed after submission.
- 8 Guarantees and warranties should be attached as a part of the bid, as they may be a consideration in awarding contract.
- 9 Delivery or contract completion time is to be shown, as this date may, where time is of the essence, determine the contract award.
- 10 Additional information may be obtained from the Purchasing Department.

THE COUNTY RESERVES THE RIGHT TO ACCEPT PART OR ALL OF ANY SPECIFIC BID OR BIDS AND TO ACCEPT BID WITH OR WITHOUT TRADE-IN, AND REJECT ANY AND ALL BIDS.

A. GENERAL CLAUSES AND CONDITIONS

- 1 Backhoe/loader Unit furnished shall be the latest type, improved model in current production (as offered to commercial trade), shall be of good quality as to workmanship and materials. All units offered under this advertisement shall be new. The design of the mechanical members shall be such that the stress imposed through normal shock loads at maximum engine torque shall not cause rupture or permanent deformation or undue wear on any member.
- 2 Specifications and printed literature covering units bidder proposes to furnish shall be submitted either with bid, or if requested after bid opening, prior to award. The price or prices quoted shall include all transportation charges fully prepaid to: 2800 Moore Road Jonesboro, AR 72401
- 3 Units to be assembled, adjusted and made ready for continuous operation at time of delivery. Material shall be treated to resist rust, corrosion, and wear.
- 4 Right is reserved to accept, reject, in whole or in part, to waive informalities in bids received, or accept bids with variations.
- 5 Craighead County reserves the right to accept, reject or award each item separately.
- 6 Bidder certifies he maintains a service facility with qualified service technicians and representative inventory of replacement parts within a fifty (50) mile radius of Jonesboro, Arkansas.

B. SPECIFICATIONS:

		Meet Specifications	
		Yes	No
Color:			
1	Units shall be painted with a high quality, long lasting, durable paint in the manufacturer's standard color.	X	
	Cab:		
1	Shall be fully enclosed and allow for ventilation and shall meet all safety standards, have safety glass window openings to permit a full view of the working areas and the road in front, rear and each side.	X	
		Meet Specifications Yes X No	
2	Shall have adjustable operator's seat, hot water heater with shut-off valve at engine connection, as regularly furnished and offered by Backhoe/Loader Manufacturer.	X	
3	A retractable seat belt shall be provided.	X	
8	Factory installed air conditioning and heater with built in ventilation.	X	
	Warranty:		
1	Backhoe/Loaders purchased under this specification shall be warranted for a period of not less than twelve (12) months (365 days) from the date backhoe/loader is placed in service, against defective parts and workmanship that fails under normal use.	X	
2	Warranty shall include all parts, labor and transportation costs to the location of the equipment.		
3	It is understood that this is a minimum warranty required in order for a bid to be considered, and it is also understood that any warranty by the Backhoe/Loader Manufacturer on components of the backhoe/loader purchased (that exceeds the minimum warranty specified herein) and is so advertised and included in manufacturer's printed data sheets shall be passed on to the Craighead County Road Department.		
4	Power Train extended warranties should be clearly defined.	X	
5	Consideration will be given in making the award to the selection of an backhoe/loader which appears to be best suited with regard to weight, strength, power, mechanical design, etc., to perform the work for which they are intended.	X	
6	Bidder shall bid backhoe/loader under this proposal that are comparable and equal to 2021 Case 590SNT4F.	X	

			Meet Specifications	
			Yes	No
The loader backhoe shall be equipped with the following features and/or specifications:				
MACHINE SPECIFICATIONS				
ENGINE				
1-cylinder, turbocharged diesel engine with a minimum 108 net horsepower at 2,200 RPM			X	
Engine displacement of 274 cubic inches		268 in		X
Minimum SAE net torque rating of 380 ft-lbs at 1,400 RPM		360 lb ft		X
Torque rise of 45% at rated speed		39%		
Tier III certified per Federal Emissions Standards		Tier 4	X	
Vertical spin-on engine oil filter			X	
Cold weather starting aid to be that of non-ether based system			X	
Liquid cooled engine			X	
100-hour engine oil change interval			X	
ELECTRICAL				
12-volt electrical system			X	
Minimum 120-amp alternator			X	
Dual batteries with 850 cca (each)			X	
FULLY SYNCHRONIZED TRANSMISSION				
Torque converter drive with a fully synchronized transmission			X	
Four forward speeds			X	
Two reverse speeds			X	
Minimum forward travel speed of 24 MPH with standard tires		25 mph	X	
Minimum reverse travel speed of 29 MPH with standard tires		25 mph		X
Electric forward/reverse shuttle shift			X	
POWER TRAIN				
The loader backhoe power train shall be componentized				
Steering shall be hydrostatic			X	
Heavy duty axles with brake that can be serviced without removing the axle from the frame				X
On-the-go electro-hydraulic rear differential lock engagement			X	
Lube-for-life drive shaft cross bearings			X	
Single fill and check point for rear axle shall be standard equipment				
The power shift transmission shall provide the following:				
Minimum of four forward and three reverse speeds			X	
Shall have a kickdown function for ease of operation				X
Four-wheel drive units include the following features:				
Conventional differentials in the front axle			X	
Conventional differentials in the rear axle			X	
Front axle with a minimum 74.3 inch fixed tread with 14 x 17.5 tires			X	

			Meet Specifications	
			Yes	No
On-the-go electrical four-wheel drive engagement			X	
Front and rear axles with outboard planetaries			X	
Single, double-rod steering cylinder			X	
Steering cylinder located behind the axle				
Wear-for-life drive shaft cross bearings			X	
Front Axle (4wd) maximum static — 67,883 lbs minimum			X	
Rear Axle maximum static — 70,848 lbs minimum			X	
Front Axle (4wd) dynamic operating — 47,426 lbs minimum			X	
Rear Axle dynamic operating — 49,494 lbs minimum			X	
Front Axle (4wd) static operating — 18,969 lbs minimum			X	
RAKES				
Fully hydraulic, multiple wet disc brake located outboard			X	
Low effort, power boosted, oil cooled brakes			X	
Brakes operated by two, suspended brake pedals			X	
Maintenance-free and self-adjusting			X	
Spring applied, hydraulically (SAHR) released parking brake			X	
LOADER AND LINKAGE FEATURES				
The loader arms shall be heavy duty and in-line.			X	
Arch design for short turning circle			X	
Dual parallel lift cylinders			X	
Cushioned loader cylinders			X	
The loader linkage shall have the following features:			X	
Dual parallel bucket cylinders			X	
Cushioned bucket cylinders			X	
Bucket cylinders with reverse linkage			X	
Dual cast dump links to bucket			X	
Full bucket rollover for dozing			X	
Full bucket rollover for stability in backhoe operation			X	
Automatic bucket self-leveling			X	
Return-to-dig			X	
LOADER BUCKET				
The loader bucket shall be 4 in 1 (clam) a minimum of 93 inches wide with a 1.3 cubic yard heaped capacity.			X	
Rear bucket rolled wrapper			X	
Re-drilled edge			X	
Heavy duty lifting eyes			X	
Bucket position indicator			X	
Minimum SAE dump cylinder breakout force of 12,776 pounds force		15,983	X	
Minimum SAE lift capacity to full height of 8,202 pounds		8,193		X
Minimum SAE dump clearance of 8 feet 11.4 inches at full height and 45 degree dump angle			X	
Minimum SAE dump reach of 29.2 inches at full height and 45 degree dump angle			X	
Minimum hinge pin height of 11 feet 5.6 inches			X	

			Meet Specifications	
			Yes	No
Maximum loader lowering time (power down) of 2.5 seconds			X	
Maximum loader lowering time (return-to-dig) of 3.8 seconds			X	
Maximum bucket dumping time of 2.0 seconds			X	
Maximum bucket raising time to full height of 3.7 seconds			X	
BACKHOE BUCKET				
The backhoe bucket shall be 24" and heavy duty.			X	
BACKHOE - Standard hoe				
Minimum SAE dig depth with standard over-center backhoe for 24-inch flat bottom of 15 feet			X	
Provide Power Lift feature			X	
Minimum digging force, bucket cylinder, 14,940 pounds force		16,163	X	
Minimum digging force, dipper cylinder, 9,047 pounds force		10,086	X	
HYDRAULICS				
The loader hydraulics shall be closed center and allow for smooth loader operation.			X	
The backhoe hydraulics shall be variable volume and allow for smooth backhoe operation.			X	
Variable displacement axial piston pump, dual mode torque regulation			X	
Total pump flow to be 40.0 GPM at 2,340 psi available to the loader valve and backhoe valve		49.4 gpm	X	
Allows operation of optional hand-held hydraulic tools			X	X
Anti-cavitation valves in the dipper and loader circuit			X	
Pilot-operated check valves for stabilizers and boom circuit			X	
Anti-rebound valve for backhoe swing precision			X	
SERVICEABILITY				
The loader backhoe shall be easy to service from ground level.			X	
Lift hood that permits access to the engine with the loader arms raised or lowered			X	
Minimum 42-gallon side-mounted fuel tank			X	
Minimum hydraulic system (total) fill of 34.75gallons (standard hoe) / 36.25 gallons		25	X	X
WARRANTY				
Full machine warranty of 12 months, unlimited hours			X	
Engine warranty of two years or 2,000 hours			X	
Power train warranty of two years or 2,000 hours			X	
Optional extended warranty for Full Machine			X	
Optional extended warranty for Power train Only			X	
36 month or 5000 hour power train Hydraulic and Technical				\$1484.00

- 5 **Firm Price**-All prices quoted will remain firm for at least 30 days from date of bid, unless otherwise specified by the County or bidder
- 6 **Arkansas Preference**-Must be requested writing when bid is submitted to be considered as a factor in awarding a contract. Arkansas Code 19-11-259.
- 7 **Identical Bids**-In the event of two or more identical low bids, the contract may be awarded arbitrarily or for any reason to any of such bidders, or split in any proportion between the said two or more bidders at discretion of the County.
- 8 **Clean up**-Complete cleanup and proper disposal of any and all job related items is considered to be a part of any contract let by Craighead County.
- 9 **Ambiguity in bid**-Any ambiguity in any bid as the result of omission, error, lack of clarity or non-compliance specifications, instructions, and all conditions of bidding shall be construed in the light most favorable to the County
- 10 **Construction**
 - A. When requested, the Contractor is to supply the County with evidence of having and maintaining proper and specifically Workman's Compensation Insurance in accordance with the laws of the State of Arkansas, Public Liability, and Property Damage. All premiums and cost shall be paid by Contractor. In no way will the County be responsible in case of accident.
 - B. A Performance Bond equaling the total amount of any bid exceeding \$20,000 must be provided for erection of any public building, public structure, or public improvement.(Pursuant to Arkansas Code 18-44-503.)
- 11 The County reserves the right to reject any and all bids, accept in whole or in part, to waive informalities in bids received, to accept bids on materials or equipment with variations from specifications in those cases where efficiency of operation will not be impaired, and unless otherwise specified by bidder, to accept any item in the bid. If unit prices and extensions thereof do not coincide, the County may accept the bid for the lesser amount whether reflected by extension or by the correct multiple of the unit price.

INSTRUCTIONS TO BIDDERS

(Please read carefully)

- 1 Submit bid on bid form attached or reverse side of this sheet.
- 2 Address all bids to: Purchasing Director, Craighead County Judge's Office, 511 Union St.; Suite 119, Jonesboro, Arkansas 72401 and make certain to indicate identifying bid number on the outside of bid envelope.
- 3 DO NOT include Federal Excise Tax in bid. County will furnish exemption certificate.
- 4 State Manufacturer, Brand Name, Model, etc. for each item bid on.
- 5 Samples of items, when required must be furnished free, and, if not called for within 30 days from date of bid opening, will be disposed of by the County
- 6 Bids received after stated time will not be considered.
- 7 Be sure and read all conditions and verify amounts before submitting bids. No changes or additions will be allowed after submission.
- 8 Guarantees and warranties should be attached as a part of the bid, as they may be a consideration in awarding contract.
- 9 Delivery or contract completion time is to be shown, as this date may, where time is of the essence, determine the contract award.
- 10 Additional information may be obtained from the Purchasing Department.

THE COUNTY RESERVES THE RIGHT TO ACCEPT PART OR ALL OF ANY SPECIFIC BID OR BIDS AND TO ACCEPT BID WITH OR WITHOUT TRADE-IN, AND REJECT ANY AND ALL BIDS.

A. GENERAL CLAUSES AND CONDITIONS				
1	Backhoe/loader Unit furnished shall be the latest type, improved model in current production (as offered to commercial trade), shall be of good quality as to workmanship and materials. All units offered under this advertisement shall be new. The design of the mechanical members shall be such that the stress imposed through normal shock loads at maximum engine torque shall not cause rupture or permanent deformation or undue wear on any member.			
2	Specifications and printed literature covering units bidder proposes to furnish shall be submitted either with bid, or if requested, after bid opening, prior to award. The price or prices quoted shall include all transportation charges fully prepaid to: 2800 Moore Road Jonesboro, AR 72401			
3	Units to be assembled, adjusted and made ready for continuous operation at time of delivery. Material shall be treated to resist rust, corrosion, and wear.			
4	Right is reserved to accept, reject, in whole or in part, to waive informalities in bids received, or accept bids with variations.			
5	Craighead County reserves the right to accept, reject or award each item separately.			
6	Bidder certifies he maintains a service facility with qualified service technicians and representative inventory of replacement parts within a fifty (150) mile radius of Jonesboro, Arkansas.			
B. SPECIFICATIONS:				
	Color:			Meet Specifications
				Yes No
1	Units shall be painted with a high quality, long lasting, durable paint in the manufacturer's standard color.			X
	Cab:			
1	Shall be fully enclosed and allow for ventilation and shall meet all safety standards, have safety glass window openings to permit a full view of the working areas and the road in front, rear and each side.			X
				Meet Specifications
				Yes X No
2	Shall have adjustable operator's seat, hot water heater with shut-off valve at engine connection, as regularly furnished and offered by Backhoe/Loader Manufacturer.			X
3	A retractable seat belt shall be provided.			X
8	Factory installed air conditioning and heater with built in ventilation.			X
	Warranty:			
1	Backhoe/Loaders purchased under this specification shall be warranted for a period of not less than twelve (12) months (365 days) from the date backhoe/loader is placed in service, against defective parts and workmanship that fails under normal use.			X
2	Warranty shall include all parts, labor and transportation costs to the location of the equipment.			X
3	It is understood that this is a minimum warranty required in order for a bid to be considered, and it is also understood that any warranty by the Backhoe/Loader Manufacturer on components of the backhoe/loader purchased (that exceeds the minimum warranty specified herein) and is so advertised and included in manufacturer's printed data sheets shall be passed on to the Craighead County Road Department.			X
4	Power Train extended warranties should be clearly defined.			X
5	Consideration will be given in making the award to the selection of an backhoe/loader which appears to be best suited with regard to weight, strength, power, mechanical design, etc., to perform the work for which they are intended.			X
6	Bidder shall bid backhoe/loader under this proposal that are comparable and equal to 2021 Case 590SNT4F.			X

	Meet Specifications	
	Yes	No
The loader backhoe shall be equipped with the following features and/or specifications:		
MACHINE SPECIFICATIONS		
ENGINE		
4-cylinder, turbocharged diesel engine with a minimum 108 net horsepower at 2,200 RPM	X	
Engine displacement of 274 cubic inches		X
Minimum SAE net torque rating of 380 ft-lbs at 1,400 RPM		X
Torque rise of 45% at rated speed		X
Tier III certified per Federal Emissions Standards		X
Vertical spin-on engine oil filter	X	
Cold weather starting aid to be that of non-ether based system	X	
Liquid cooled engine	X	
500-hour engine oil change interval	X	
ELECTRICAL		
12-volt electrical system		
Minimum 120-amp alternator	X	
Dual batteries with 850 cca (each)	X	
FULLY SYNCHRONIZED TRANSMISSION		
Torque converter drive with a fully synchronized transmission	X	
Four forward speeds	X	
Four reverse speeds	X	
Minimum forward travel speed of 24 MPH with standard tires	X	
Minimum reverse travel speed of 29 MPH with standard tires	X	
Electric forward/reverse shuttle shift	X	
POWER TRAIN		
The loader backhoe power train shall be componentized	X	
Steering shall be hydrostatic	X	
Heavy duty axles with brake that can be serviced without removing the axle from the frame	X	
On-the-go electro-hydraulic rear differential lock engagement	X	
Lube-for-life drive shaft cross bearings	X	
A single fill and check point for rear axle shall be standard equipment	X	
The power shift transmission shall provide the following:	X	
Minimum of four forward and three reverse speeds	X	
Shall have a kickdown function for ease of operation	X	
Four-wheel drive units include the following features:	X	
Conventional differentials in the front axle	X	
Conventional differentials in the rear axle	X	
Front axle with a minimum 74.3 inch fixed tread with 14 x 17.5 tires	X	

	Meet Specifications	
	Yes	No
On-the-go electrical four-wheel drive engagement	X	
Front and rear axles with outboard planetaries	X	
Single, double-rod steering cylinder	X	
Steering cylinder located behind the axle	X	
Lube-for-life drive shaft cross bearings	X	
Front Axle (4wd) maximum static — 67,883 lbs minimum	X	
Rear Axle maximum static — 70,848 lbs minimum	X	
Front Axle (4wd) dynamic operating — 47,426 lbs minimum	X	
Rear Axle dynamic operating — 49,494 lbs minimum	X	
Front Axle (4wd) static operating — 18,969 lbs minimum	X	
BRAKES		
Fully hydraulic, multiple wet disc brake located outboard	X	
Low effort, power boosted, oil cooled brakes	X	
Brakes operated by two, suspended brake pedals	X	
Maintenance-free and self-adjusting	X	
Spring applied, hydraulically (SAHR) released parking brake	X	
LOADER AND LINKAGE FEATURES		
The loader arms shall be heavy duty and in-line.	X	
Arch design for short turning circle	X	
Dual parallel lift cylinders	X	
Cushioned loader cylinders	X	
The loader linkage shall have the following features:		
Dual parallel bucket cylinders	X	
Cushioned bucket cylinders	X	
Bucket cylinders with reverse linkage	X	
Dual cast dump links to bucket	X	
Full bucket rollover for dozing	X	
Full bucket rollover for stability in backhoe operation	X	
Automatic bucket self-leveling	X	
Return-to-dig	X	
LOADER BUCKET		
The loader bucket shall be 4 in 1 (clam) a minimum of 93 inches wide with a 1.3 cubic yard heaped capacity.	X	
Rear bucket rolled wrapper	X	
Pre-drilled edge	X	
Heavy duty lifting eyes	X	
Bucket position indicator	X	
Minimum SAE dump cylinder breakout force of 12,776 pounds force	X	
Minimum SAE lift capacity to full height of 8,202 pounds	X	
Minimum SAE dump clearance of 8 feet 11.4 inches at full height and 45 degree dump angle	X	
Minimum SAE dump reach of 29.2 inches at full height and 45 degree dump angle	X	
Minimum hinge pin height of 11 feet 5.6 inches	X	

	Meet Specifications	
	Yes	No
Maximum loader lowering time (power down) of 2.5 seconds	X	
Maximum loader lowering time (return-to-dig) of 3.8 seconds	X	
Maximum bucket dumping time of 2.0 seconds	X	
Maximum bucket raising time to full height of 3.7 seconds	X	
BACKHOE BUCKET		
The backhoe bucket shall be 24" and heavy duty.	X	
BACKHOE - Standard hoe		X
Minimum SAE dig depth with standard over-center backhoe for 24-inch flat bottom of 15 feet	X	
Provide Power Lift feature	X	
Minimum digging force, bucket cylinder, 14,940 pounds force	X	
Minimum digging force, dipper cylinder, 9,047 pounds force	X	
HYDRAULICS		
The loader hydraulics shall be closed center and allow for smooth loader operation.	X	
The backhoe hydraulics shall be variable volume and allow for smooth backhoe operation.	X	
Variable displacement axial piston pump, dual mode torque regulation	X	
Total pump flow to be 40.0 GPM at 2,340 psi available to the loader valve and backhoe valve	X	
Allows operation of optional hand-held hydraulic tools	X	
Anti-cavitation valves in the dipper and loader circuit	X	
Pilot-operated check valves for stabilizers and boom circuit	X	
Anti-rebound valve for backhoe swing precision	X	
SERVICEABILITY		
The loader backhoe shall be easy to service from ground level.	X	
Tilt hood that permits access to the engine with the loader arms raised or lowered	X	
Minimum 42-gallon side-mounted fuel tank	X	
Minimum hydraulic system (total) fill of 34.75 gallons (standard hoe) / 36.25 gallons	X	
WARRANTY		
Full machine warranty of 12 months, unlimited hours	X	
Engine warranty of two years or 2,000 hours	X	
Power train warranty of two years or 2,000 hours	X	
Optional extended warranty for Full Machine	X	
Optional extended warranty for Power train Only	X

CNH Industrial America LLC
and CNH Industrial Canada, Ltd.

**WARRANTY AND LIMITATION OF LIABILITY AGREEMENT
LIGHT - CASE CONSTRUCTION EQUIPMENT**

The Case Warranty

The Case Warranty is a limited warranty that is provided to the initial retail purchaser in return for consideration paid as part of the purchase price of the product. The selling dealer must review the warranty coverage with the initial retail purchaser and obtain signature on this document.

New Limited Warranty

The warranty described here is from CNH Industrial America LLC and in Canada, CNH Industrial Canada Ltd., both of which are referred to in this agreement as "Case". This warranty is for Case products sold and registered in the United States or Canada and normally operated in the United States or Canada. This warranty does NOT apply to any product normally operated outside of the United States and/or Canada, or to any unit purchased outside of the United States or Canada and imported in for any reason other than a customer relocation/personal move.

Warranty Period

For the products listed below, the Warranty Period for all coverage begins at the time that any person, dealer or agent first places the unit into service. At the latest, a unit is considered to be placed into service when purchased or delivered to an initial retail purchaser. Certain demonstration, rental, lease, and other used units may be eligible for a portion of a new unit warranty. The availability of the remaining portion of a new unit warranty does not mean that a unit is new or unused. The Warranty Period ends when either the month or machine hour limit is reached, whichever limit occurs first.

CASE LIGHT PRODUCT	BASE WARRANTY	EXTENDED WARRANTY	NOTES

BIDS ARE SUBJECT TO REJECTION UNLESS SUBMITTED ON THIS FORM

NOTICE TO BIDDERS, SEE REVERSE SIDE OR ATTACHMENTS FOR INSTRUCTIONS AND CONDITIONS.

**CRAIGHEAD COUNTY
JONESBORO, ARKANSAS
CONDITIONS OF BIDDING**

Compliance with the following conditions is necessary for consideration of this bid.

- 1 Signature-This bid must be signed with the firm name and by an authorized officer, employee or agent.
- 2 Sales Tax-Is not to be shown in the bid price, but is to be added by the vendor to the invoice billing to the County. The County is not exempt from Arkansas State Sales Tax. Contractors are to include all costs into the bid price, including applicable taxes.
- 3 Freight and other delivery charges-to destination at designated County facility in the County must be included in bid. Charges may not be added after the bid is opened. List freight and delivery charges separate.
- 4 Discounts-Show rate, total amount, and latest day any discounts will be allowed after receipt of article and invoice, otherwise County will deduct allowed discount when payment is made.
- 5 Firm Price-All prices quoted will remain firm for at least 30 days from date of bid, unless otherwise specified by the County or bidder
- 6 Arkansas Preference-Must be requested writing when bid is submitted to be considered as a factor in awarding a contract. Arkansas Code 19-11-259.
- 7 Identical Bids-In the event of two or more identical low bids, the contract may be awarded arbitrarily or for any reason to any of such bidders, or split in any proportion between the said two or more bidders at discretion of the County.
- 8 Clean up-Complete cleanup and proper disposal of any and all job related items is considered to be a part of any contract let by Craighead County.
- 9 Ambiguity in bid-Any ambiguity in any bid as the result of omission, error, lack of clarity or non-compliance specifications, instructions, and all conditions of bidding shall be construed in the light most favorable to the County
- 10 Construction
 - A. When requested, the Contractor is to supply the County with evidence of having and maintaining proper and specifically Workman's Compensation Insurance in accordance with the laws of the State of Arkansas, Public Liability, and Property Damage. All premiums and cost shall be paid by Contractor. In no way will the County be responsible in case of accident.
 - B. A Performance Bond equaling the total amount of any bid exceeding \$20,000 must be provided for erection of any public building, public structure, or public improvement(Pursuant to Arkansas Code 18-44-503.)
- 11 The County reserves the right to reject any and all bids, accept in whole or in part, to waive informalities in bids received, to accept bids on materials or equipment with variations from specifications in those cases where efficiency of operation will not be impaired, and unless otherwise specified by bidder, to accept any item in the bid. If unit prices and extensions thereof do not coincide, the County may accept the bid for the lesser amount whether reflected by extension or by the correct multiple of the unit price.

INSTRUCTIONS TO BIDDERS

(Please read carefully)

- 1 Submit bid on bid form attached or reverse side of this sheet.
- 2 Address all bids to: Purchasing Director, Craighead County Judge's Office, 511 Union St.; Suite 119, Jonesboro, Arkansas 72401 and make certain to indicate identifying bid number on the outside of bid envelope.
- 3 DO NOT include Federal Excise Tax in bid. County will furnish exemption certificate.
- 4 State Manufacturer, Brand Name, Model, etc. for each item bid on.
- 5 Samples of items, when required must be furnished free, and, if not called for within 30 days from date of bid opening, will be disposed of by the County
- 6 Bids received after stated time will not be considered.
- 7 Be sure and read all conditions and verify amounts before submitting bids. No changes or additions will be allowed after submission.
- 8 Guarantees and warranties should be attached as a part of the bid, as they may be a consideration in awarding contract.
- 9 Delivery or contract completion time is to be shown, as this date may, where time is of the essence, determine the contract award.
- 10 Additional information may be obtained from the Purchasing Department.

THE COUNTY RESERVES THE RIGHT TO ACCEPT PART OR ALL OF ANY SPECIFIC BID OR BIDS AND TO ACCEPT BID WITH OR WITHOUT TRADE-IN, AND REJECT ANY AND ALL BIDS.

JOHN DEERE 410L BACKHOE LOADER

Date : January 20, 2021

Machine/Use Information		Plan Description		Price	
Manufacturer	JOHN DEERE	Application	Governmental	Deductible	\$ 0.00
Equipment Type	410L LOADER BACKHOE	Coverage	Powertrain & Hydraulics	List	\$ 2,712.50
Model	410L LOADER BACKHOE	Total Months	60		
Country		Total Hours	4000		

Extended Warranty is available only through authorized John Deere Dealers for John Deere Products, and may be purchased at any time before the product's Standard Warranty, or Extended Warranty expires.

Extended Warranty Proposal Prepared for:

I have been offered this extended warranty and

Customer Name - Please Print

- I ACCEPT the Extended Warranty
 I DECLINE the Extended Warranty

Customer Signature

If declined, I fully understand that any equipment listed above is not covered for customer expenses due to component failures beyond the original basic warranty period provided by John Deere.

Note : This is **not** a contract. For specific Extended Warranty coverage terms and conditions, please refer to the actual Extended Warranty contract for more information and the terms, conditions and limitations of the agreement.

What Extended Warranty is :

The Extended Warranty Program is for the reimbursement on parts and labor for covered components that fail due to faulty material or original workmanship that occur beyond the John Deere Basic Warranty coverage period. The agreement is between Deere & Company and the owners of select John Deere Construction and Forestry equipment, who purchase the Extended Warranty Plans for the desired coverage as indicated in this proposal.

What Extended Warranty is not :

Extended Warranty is not insurance. It also does not cover routine maintenance or high wear items, or insurance-related risks/perils such as collision, overturn, vandalism, wind, fire, hail, etc. It does not cover loss of income during or after an equipment failure. See the actual product-specific Extended Warranty agreement for a complete listing of covered components, and limitations and conditions under the program.

Features/Benefits:

- Extended Warranty includes the following features and benefits under the program :
- Pays for parts and labor costs incurred on failed covered components (less any applicable deductibles),
- Does not require pre-approval before repairs are made by the authorized John Deere dealership,
- Payments are reimbursed directly to the dealership with no prepayment required by the contract holder.

A. Preventative Maintenance - General Provisions

During the selected agreement period, Stribling Equipment will perform maintenance intervals, in accordance with John Deere Uptime Maintenance Planner and subject to the terms set forth in this document. Under the terms selected on this document, the preventative maintenance agreement will begin at hour interval desired, and will continue until the expiration has been met by either specified machine hours or specified term in months. At any time nearing the expiration of this agreement, the terms of this agreement may be extended to the newly desired limit.

B. Objective of Maintenance Agreement

- To minimize repair expense and maximize equipment uptime through periodic scheduled maintenance.
- To protect equipment investment with budgeted maintenance costs.

C. Owner's Responsibility

- Perform Daily and Weekly maintenance in accordance with manufacturer's guidelines.
- At the selected intervals, the Owner will notify the appropriate STRIBLING EQUIPMENT, LLC Service Manager that a service is due. STRIBLING EQUIPMENT, LLC will schedule the preventative maintenance service at a time convenient to the customer. PM services are performed during normal business hours.
- Notify dealer of the hours on machine.
- Service is performed at agreed upon increments.
- Notification should be 50 hours prior to service interval.

D. Dealer's Responsibility

- STRIBLING EQUIPMENT, LLC will perform scheduled maintenance per the John Deere Construction & Forestry operator's manual and each machine's maintenance planner, including maintenance per the John Deere Construction & Forestry operator's manual and each machine's maintenance planner, including fluid sampling requirements.
- Properly remove and dispose of all hazardous waste materials.
- Inspect equipment and advise owner of any necessary repairs or damage beyond periodic maintenance. Any such repairs will be authorized by the owner, scheduled and invoiced separately.
- All plan prices include labor, John Deere parts, fluids, filters, and fluid sample kits necessary to perform maintenance procedures as listed in John Deere Construction & Forestry operator's manuals for each specified model and interval. Plan prices were compiled with current labor rates and parts prices and are subject to change.
- Plan prices do not include sales tax.

E. L & M Series Forestry Extended Warranty Discount

- A 60% discount off the Powertrain portion of extended Powertrain and Hydraulics or Full Machine Warranty is available provided the following requirements are met.

Dealer Requirements:

1. Perform all major services per John Deere Uptime Maintenance planner or Operators Manual.
2. Submit oil samples through ALS on every service interval of all major fluid reservoirs, regardless of who performs the service (customer or dealer).
3. Use and provide John Deere parts and fluids for every service interval, regardless of who performs the service (customer or dealer).

Customer Requirements:

1. Purchase a signed Stribling Pro Solutions Uptime Maintenance Agreement for 3 year or 6000 hour.
2. Perform all services outside of the dealer-performed services using John Deere parts and fluids. (If service is not performed by dealership)
3. Take oil samples on every service interval of all major fluid reservoirs, regardless of who performs the service (customer or dealer).

Oil Analysis Requirements:

1. Oil samples must be performed and submitted through ALS technologies at every 500 hr interval, including the initial 250 hr. service (if required).
2. Powertrain warranty claims could experience 100% chargeback, performed by John Deere TCSCM, if oil sampling is not submitted.
3. Chargeback of 100% could also be instituted if oil analysis indicated that non-John Deere fluids are being used.
